

**THE OFFER TO  
LEASE**

**The Municipal Theatres  
of Prague**

The Municipal Theatres of Prague comprises of representative venues situated directly in the centre of Prague. These venues are often used for various purposes. In the theatre ABC there is a hall with the capacity of 490 seats and a spacious theatre cafe with a separate entrance from the passage U Nováků. Further, it is possible to use the spaces of the theatre Rokoko with a hall that disposes of the capacity of 207 seats. Both theatres are parts of the passage complex Lucerna, U Nováků and Rokoko that are situated between the Wenceslas Square and Vodičkova Street. The spaces of both theatres can be used either separately or they can be joined, e.g for purposes of congresses.

### Notes:

In the case of such lease, when it is necessary to cancel the performance of the The Municipal Theatres of Prague the full price of sold-out performances needs to be paid. The value of the lease is based on the price of sold-out performances. Prices are only indicative and may be adapted to local conditions.

Every worker must be ordered for at least 5 hours. Necessary staffing for rental of the theater hall consists of lighting, sound engineer, stage techniques, and production supervision. In the event that it is a theatrical performance with the audience, you can also subscribe a seat inspector and ushers.

All services must be paid over an agreement for work. Fees will be forwarded to the day of the event and redistributed by production supervision.
