

## Offer of Lease: Theatrical venues Rokoko and ABC

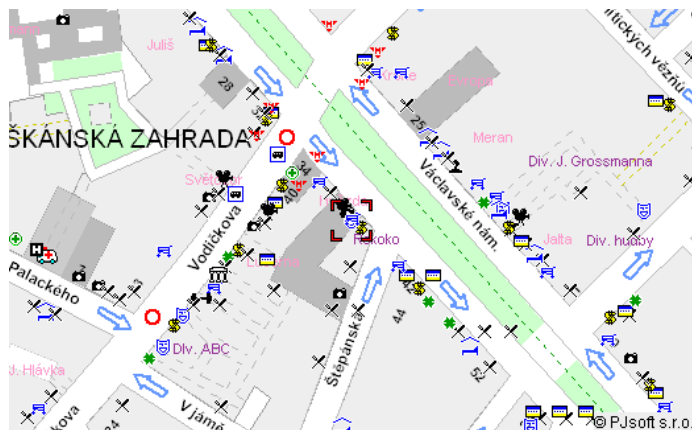

Prague town theatres comprises of representative venues situated directly in the centre of Prague. These venues are often used for various purposes. In the theatre ABC there is a hall with the capacity of 490 seats and a spacious theatre cafe with a separate entrance from the passage U Nováků. Further, it is possible to use the spaces of the theatre Rokoko with a hall that disposes of the capacity of 207 seats. Both theatres are parts of the passage complex Lucerna, U Nováků and Rokoko that are situated between the Wenceslas Square and Vodičkova Street. The spaces of both theatres can be used either separately or they can be joined, e.g for purposes of congresses.
